BEER

Alleycat Amber...5.5% A full-flavored amber ale made with roasted caramel malt. Richly colored and medium-bodied, Alleycat is an assertive blend of malts with a sprightly cascade of hops.

Anderson Valley Boont...5.8% Boont Amber Ale is an ode to balance, with a deep copper color offset by an off-white head. The slightly sweet malty backbone is balanced perfectly with a subtle hop bite and aroma, and a wonderfully fruity yeast profile.

Downtown Brown...5% A smooth, full-bodied nut brown ale, lightly hopped with a hint of roasted and crystal malts. This ale is dark in color without the heavy taste of porter or stout.

Eight Ball Stout...6.2% Not for the faint hearted! Our stout rewards the palate with robust flavor of roasted malts and heavy hops. A creamy smooth surprise.

Great White...4.8% A Crisp beer with a hint of citrus, made with two-row malted barley, unmalted wheat, a secret blend of Humboldt herbs, crystal clear mountain water and ale yeast.

Indica IPA...6.5% Indica is a hoppy, full-bodied ale. It has a higher than average alcohol content balanced by radical bittering from Columbus hops, then dry hopped with generous amounts of Willamette and Centennial hop flowers.

Tangerine Wheat...5% A refreshing citrus ale, Lost Coast Tangerine Wheat combines our Lost Coast Harvest Wheat with natural tangerine flavors. Brewed with a combination of wheat and crystal malts, and finished with Perle hops.

Wittekerke...5% Charms you with its own character, smooth taste with a distinct delicious aroma. A very pleasant drink, light in alcohol with a crisp and refreshing flavor.
